

# Cover Page Mailer

## 5.5" x 8.5" Page

This layer is to be used as a guide only.  
Delete this layer before submitting  
your project for printing.

### BLEED

Extend images, photos and solid backgrounds 1/8" beyond the edge of the page to allow for trimming.

### TRIM

Indicates the edge of the page.

### SAFETY MARGIN

Keep all text and other critical information within 1/4" of the edge of the page.

## OTHER INSTRUCTIONS

Please ensure all images are 300 dpi *at the final size* for proper printing resolution. See our tech tips section for more information on printing resolution.

Please ensure all images are CMYK.
