

# Front Cover Mailer

## 8.5" x 11" Page

This layer is to be used as a guide only.  
Delete this layer before submitting  
your project for printing.

### OTHER INSTRUCTIONS

Please ensure all images are 300 dpi  
*at the final size* for proper printing resolution.  
See our tech tips section for more information  
on printing resolution.  
Please ensure all images are CMYK.

To create a horizontal 11" x 8.5" page,  
rotate this guide 90°.

### BLEED

Extend images, photos and solid back-  
grounds 1/8" beyond the edge of the page  
to allow for trimming.

### TRIM

Indicates the edge of the page.

### SAFETY MARGIN

Keep all text and other critical information  
within 1/4" of the edge of the page.

**Mailing Space Leave Blank**
