← **BLEED**

Extend images, photos and solid backgrounds 1/8" beyond the edge of the page to allow for trimming.

← **TRIM**

Indicates the edge of the page.

← **SAFETY MARGIN**

Keep all text and other critical information at least 1/8" away from the edge of the page.

OTHER INSTRUCTIONS

Please ensure all images are 300 dpi at the final size for proper printing resolution. See our tech tips section for more information on printing resolution.

Please ensure all images are CMYK.
